

PI Attestation Form

This form is used for acknowledgement of electronic submissions in the eRA (InfoEd) system, as well as attestation that the signing PI has read and understands COMIRB's policy on the [responsibilities of investigators](#).

If this is an initial submission for a mentored study, this form is also used for attestation that the Faculty Mentor has read and understands COMIRB's policy on the [responsibilities of mentored human subjects research](#).

Please sign and date (by the PI and Mentor, if applicable), and then upload to the submission where prompted by the system. **As an alternative to a signature**, the content of the form beneath the line below can be pasted into a current E-mail from the PI (with the mentor cc'd, when applicable, for initial submissions), and a copy of the E-mail uploaded to the submission. Please include the COMIRB # in the subject line of the E-mail. **This attestation form is required for Initial, Continuing Review, and Unanticipated Problem submission types.** Please note that the Mentor/Advisor signature is only needed for initial submissions.

COMIRB # _____

I agree to conduct this research study in accordance with COMIRB policies and procedures. I have read the Policy on the Responsibilities of Investigators. I have completed all required training and I will conduct my study in compliance with all federal, state, and local laws and policies.

My signature below attests to my agreement to conduct this research according to these requirements.

Signature of Principal Investigator

Date

If this is an initial submission for a mentored study, I agree to be available and actively supporting the student/trainee during the student/trainee's active research period.

By signing below, I acknowledge my responsibilities as a mentor/advisor and agree to take on these responsibilities:

Signature of Mentor/Advisor
