Council members: Melissa Haendel, Michael Miller, Jim Costello, Dallas Martin, Heather Anderson, Teri Hernandez, Alison Lakin, Sara Deakyne Davies, Thomas Campbell, Bruce Dye

RIO staff: Chaitra Thippana, Steven Andrews, Carlos Goncalves, Joyce Mui, Ian Brooks

Absent: Kay Schneider, Jameel Mallory, Katerina Kechris, Laura Morris, Leah Emerick, Tell Bennett

- The CRIO Council approved the Executive Summary from the previous meeting without further comments.
- The CRIO provided an update about the CRIO Council stipends.
- The data survey working group provided an update of the work developed and indicative dates for a presentation of the data survey to the CU AMC Schools were collected.
- The GCP group provided an update of the work developed highlighting the need to engage researchers to collect their needs.
- Steven Andrews will anonymously collect the research needs provided by the CRIO Council members.
- An update of the HPC work was provided to the CRIO Council. The work is being impacted by supply-chain issues that are going to be solved soon. The job positions for a System Administrator and a Navigator have been posted and waiting for candidates to apply.
- The CRIO Council iterated the mechanisms to replace a CRIO Council member when a member turnover before the end of the term.
