

**UNIVERSITY OF COLORADO DENVER
ANIMAL CARE & USE PROGRAM
GNOTO DO NOT DISTURB CARD AGREEMENT**

By signing this form and taking Gnotobiotic Do Not Disturb (DND) cards for room 250A/B, I agree to the following:

- I have received training from OLAR management on the proper usage of Gnoto Do Not Disturb flags and my responsibilities while flags are in use. I was provided a copy of and have read the pertinent section of the Do Not Disturb Policy. OLAR staff will not open these cages for any reason.
- Contact information will be clearly labeled on each DND cage flag and include an after-hours phone number.
- All cages will include the number of animals.
- Cages flagged with the Gnoto DND card will be monitored daily by the lab staff.
- The contacts listed will respond to inquiries about the cages within the timeframes noted in the DND SOP.
- Research staff are required to respond in-person to any issues requiring the cage to be opened, such as wet cages, deceased animals or no or low food/water within 2 hours.
- Health problems with the animals in the flagged cages will be reported to the veterinary staff.
- Lab staff will change these cages according to OLAR's husbandry SOP's appropriate for the species and type of cage

CAGE CHANGE INTERVAL:	Mouse Static on Baker's rack	Mouse in Isolator	Diabetic
Mouse	q7d OR single housed q14d MUST have # of animals listed on cage card	q14d	3x/week

Comments/Notes about study:

Failure to comply with the agreed upon terms above may result in:

- Fees assessed per cage out of compliance, in accordance with the DND SOP
- The loss of my right to utilize the DND SOP cage flagging process
- The potential of being reported to the IACUC Office for non-compliance
