These Terms of Sale constitute a contract between you and MWI Veterinary Supply Co. ("MWI"). Please carefully review these Terms of Sale because the Terms of Sale set forth the rights, obligations, limitations and exclusions that apply to you.

1. AGREEMENT

By purchasing or guarantying the purchase of the products from MWI, you agree with MWI's Terms of Sale. MWI's Terms of Sale may not be altered, supplemented or amended by use or reference to any other documents or agreements, unless agreed by MWI in writing.

2. AUTHORITY

You certify that you are a valid existing entity with power and authority to enter into this Agreement and to carry out your obligations hereunder, and the transactions contemplated hereby.

3. VETERINARIAN

You certify that either you are a state licensed veterinarian or purchasing the product through a state licensed veterinarian or are licensed through a facility DEA, that you have a completed credit application filed with MWI, that the information on the credit application is current and correct, and that you submitted to MWI copies of your current veterinary license, DEA certificate, and applicable state controlled substances licenses.

4. CASH SALE

All purchases shall be paid by cash, check or credit card in the net amount of the invoice on or before the time of delivery unless MWI agrees at MWI's sole discretion to extend you open account or other credit.

5. OPEN ACCOUNT SALE

All purchases on open account are due and payable upon the due date indicated on the invoice unless you and MWI agree in writing to a different payment plan. If you become insolvent, are named in any legal, arbitration or other proceeding to collect money, or file bankruptcy, then all amounts owed to MWI become immediately due and payable. Credit card payments are acceptable at the time of ordering, and cannot be used to pay for products purchased through delayed billing. A surcharge may be imposed on all statement balances paid by credit card.

6. ERRORS

MWI may correct at any time all extension, price, description and other errors on any invoices, statements or other documents. The document, as corrected, shall be the effective document.

7. PAYMENTS

All payments shall apply first to oldest unpaid invoices or attorney fees and costs, unless otherwise indicated by your remittance advice. You shall pay MWI a \$25.00 service fee on all returned checks.

8. SECURITY INTEREST

To secure all obligations owed by you to MWI, you grant MWI a first priority security interest in any products purchased from MWI, including without limitation all Goods, Equipment, Inventory and Farm Products, and all proceeds, renewals, substitutions, replacements, additions and assignments thereto, until all obligations to MWI are paid in full. The security interest expressly includes without limitation all livestock and other animals to which the products are applied or administered, or that consume the products, and all proceeds, accounts receivable, and contract rights arising therefrom or related to such livestock and other animals. The products and types of products are described on the face of the invoice(s).

9. DEFAULT

If your account is not paid when due, or if you have not complied with any other term or condition of your application for credit, these Terms of Sale, or any other agreement with MWI, then you are immediately in default without further notice to you.

10. MWI'S REMEDIES ON DEFAULT

If you are in default, then MWI may, at MWI's sole discretion and without further notice to you, exercise any one or more of the following actions and remedies: (a) temporarily or permanently suspend any further shipments to you, (b) temporarily or permanently suspend your credit, (c) temporarily or permanently ship to you only if you pay via automatic bank draft (aka ACH), credit card or if you pay in advance, (d) temporarily or permanently close your account with MWI and terminate any further transactions with you, (e) exercise MWI's rights as a secured creditor under applicable law, (f) collect the amounts owed to MWI, including without limitation initiating a lawsuit, and (g) take any other action or pursue any other remedies which MWI deems appropriate. Once MWI takes any action or remedy because of your default, including without limitation the remedies listed in this paragraph, MWI is not obligated to (a) restore your account and credit or (b) provide you with any other account or credit terms even if you pay the past due amounts in full and satisfy any other requirements of MWI.

11. TITLE & RISK OF LOSS

Title to the products passes from MWI to you upon the departure of the shipment from MWI's facility. Loss or damage that occurs during shipping by a carrier selected by MWI is MWI's responsibility. Loss or damage that occurs during shipping by a carrier selected by you is your responsibility.

12. DELAYS

MWI is not responsible for the inability to provide goods purchased or delay in providing goods purchased caused or effected by accidents, strikes, weather, war, riots, shortage of products or labor by manufacturers, interference or obstruction of transportation routes, carrier shortages, damage to carrier, damage to goods by

carrier, any act of God, failure of utilities or telecommunications, or other causes beyond MWI's control. MWI shall perform as soon as practicable after the cause of the delay is removed.

13. TAXES & SHIPPING CHARGES

You will pay all applicable shipping charges and sales taxes that arise because of the delivery of the products to you. You shall pay all shipping charges related to hazardous materials. The taxes and charges will appear on the invoice, or you will directly pay the shipper and tax authority.

14. RETURNS AND CREDITS

Unless you notify MWI of any errors within 24 hours of your receipt of the products, the shipment is deemed to be correct. MWI will grant credit for returned products only if: (a) you contact MWI prior to the return and obtain our Return Authorization ("RA"), (b) return the product within one year of purchase, and (c) return only unopened cartons. The amount of the credit shall be (a) 100% of the net purchase price for saleable products, (b) 80% of the net purchase price for controlled substances, diets returned due to overstock, and special order products, (c) 0% for products unsuitable for resale because of age, obsolescence, expiration, or approaching expiration, and (d) a variable amount, if any, as determined by the manufacturer's return policy for outdated and short-dated products. Your MWI representative must process all returns of hazardous material. Hazardous material cannot be returned via UPS. You guarantee that the products listed on the RA were properly stored, handled and shipped so as to not affect quality, and that the credit will not exceed the product's actual purchase price.

B. REMEDIES. Your exclusive remedy for breach of warranty is to return the products for refund of the purchase price, or repair and replacement of the nonconforming products. MWI has the exclusive right to select the remedy. MWI expressly excludes liability for incidental, consequential, exemplary, punitive and other damages.

C. PAYMENT REQUIRED. MWI's warranties are effective only if MWI has received payment in full, and in good non-avoidable funds, for the products.

D. MANUFACTURER'S WARRANTY. The manufacturer of the products may provide its own warranty. MWI does not represent or warrant the existence or scope of manufacturer's warranty.

In any dispute the prevailing party shall recover from the other party reasonable attorney fees and costs, collection agency fees, and any other costs incurred.

17. CHANGES IN TERMS

At MWI's sole discretion, MWI can change MWI's Terms of Sale at any time by notifying you at your statement address at least 30 days in advance of the effective date of the change. All changes to the Terms of Sale will apply to all purchases, returns or other transactions that occur on or after the effective date of the change, and will apply to any money that you owe to MWI on or after the effective date of the change, regardless whether your purchases or account entries that caused the money to be owed to MWI occurred before or after the effective date of the change.
