

How to Order Drugs and Other Veterinary Supplies

Labs are encouraged to set up their own accounts and order directly from the vendors. Below are instructions for how to set up an account or order through the most common vendors.

MWI ACCOUNT SET UP INSTRUCTIONS

1. Fill out the [Due Diligence Form](#) and the [Government & University Express Application](#)
2. Send them to Kara Norberg at knorberg@mwiah.com. If you have any questions, you can reach her at 800-762-4800 ext 3710.
 - a. Our sales rep is Brian Hornstra and he can be helpful when trying to find a specific product. His email is BHornstra@mwianimalhealth.com
3. Be sure to include a contact person from your lab when you set up the account. To set up an account as a researcher, she'll have you fax a copy of your DEA license to 855-854-3922.
4. Once you have an account set up with MWI and have faxed them your DEA license, you should be able to order either by phone or online. You may pay when you order or when the items are shipped, you will receive an invoice that will be addressed to your lab that you will be responsible to pay from.

McKESSON

McKesson carries human medical supplies and drugs, such as Isoflurane. This vendor is available on Marketplace and does not require additional paperwork to set up an account.

Buprenorphine SR

Buprenorphine SR is available through Zoopharm and requires a veterinary prescription to order. This must also be approved on the protocol, and the PI must hold a Researcher DEA license. To receive the veterinary prescription needed, please email Holly Goold at Holly.Goold@cuanschultz.edu.

DEA LICENSE APPLICATION INFORMATION and HELPFUL INFORMATION

Please visit the CU Anschutz EH&S DEA webpage to view information regarding controlled substances on our campus. Here you can view the University controlled substances policy, the controlled substances audit guidelines, record keeping and security requirements, and a FAQ section. You can also access the DEA website from this page.

www.ucdenver.edu/dea

Please feel free to contact Holly Goold (Holly.Goold@cuanschutz.edu) if you should have any questions about ordering drugs or obtaining a DEA license for your research.
