

RDRC Notice of Study Closure Form

This form must be submitted to the RDRC when a study under the RDRC review has completed all use of radioactive materials and subjects are no longer exposed to these materials. *Please note, this is not the same thing as the COMIRB continuing review report.*

Study ID:
PI Name:
Study Title
Radioactive Material:
Number of Subjects who were exposed to the radioactive material:
Attestation of the PI:

I have submitted any and all adverse events that were possibly related to exposure of radioactive material. I have completed all study activities related to exposing study subjects to the radioactive material. If any latent or delayed adverse effects from exposure to the radioactive material become known to me, I will report these immediately to the RDRC.
